Location Construction Request (LCR) and Approval Form

This approval form is a REQUIREMENT and approval must be obtained from the Grant Implementation Team (GIT) PRIOR TO COMMENCEMENT OF ANY AND ALL CONSTRUCTION. Failure to obtain this signed approval for fiber could result in a revoking of the grant monies and fines with the various state and federal agencies.

All Community Anchor Institutions (CAIs) location construction requests (LCRs) must be submitted to BTOP_LCR@wv.gov for approval. Upon receipt, the request will first be compared to the EA for compliance. Once the Special Awards Conditions are confirmed, it will be considered for approval by the GIT and WVOT.
